

DOMINUM Unleash *Night is Calling* – One of the Fastest Rising Forces

DOMINUM return with their third full-length album *Night is Calling*, out July 3, 2026 via Napalm Records. After storming straight into the Top 10 of the Official German Album Charts with their previous album *The Dead Don't Die*, the fast-rising band led by mastermind and vocalist Felix Heldt – better known to fans as Dr. Dead – are ready to open the next chapter of their dark and theatrical universe. Blending substantial songwriting with heavy riffs and irresistibly catchy choruses, **DOMINUM** have carved out their own thrilling niche between modern metal, horror aesthetics and arena-ready hooks.

Led by Dr. Dead (vocals) and his Zombies – Tommy Kemp (guitars), Patient 0 (bass), and Victor Hilltop (drums) – **DOMINUM** have taken their undead spectacle to stages all across Europe in recent years.

Produced by Felix Heldt and mixed by renowned producer Jacob Hansen, *Night is Calling* expands the band's sonic world with even heavier riffs, bigger choruses, and a cinematic sense of drama. Explosive opener "*The Circus Is In Town*" throws listeners straight into **DOMINUM**'s twisted carnival, while infectious anthems like "*Doctor Doctor*" and "*Dark Melodies*" deliver the kind of hooks fans will sing back from the front row. The powerful title track "*Night is Calling*" (feat. Marina La Torraca) further highlights the band's growing presence on the international metal stage.

With *Night is Calling*, **DOMINUM** continue their rapid ascent while staying true to what makes them unique: theatrical, melodic and heavy metal driven by the dark charisma of Dr. Dead and his Zombies. One thing is certain – the Living Dead Squad keeps growing.
