

**UNLEASHED**  
***Fire Upon Your Lands***  
August 15, 2025

**Swedish death metal pioneers UNLEASHED attack with their 15th album!**

Swedish death metal titans **UNLEASHED** mark their standing as one of the big four of the genre and strike back with full force, delivering a relentless war cry with their highly anticipated 15th studio album, ***Fire Upon Your Lands***, out on August 15, 2025 via Napalm Records! For over 35 years, UNLEASHED has stood as a pillar in the scene - now, they unleash a storm of fury and god-like riffs. Continuing the story of ***No Sign Of Life* (2021)**, the band unveils 11 neck-breaking tracks, telling stories of the World of Odalheim.

From the very first crushing riffs in "*Left for Dead*", as the warriors of Midgard deal with the captured son of White Christ, ***Fire Upon Your Lands*** plunges listeners into the chaos of battle. Forged in the fire of unrelenting aggression by mastermind and founder Johnny Hedlund, venomous growls and battle cries set the tone for the neck-breaking masterpiece. Roaring riffs and razor-sharp solos unleash a sonic onslaught on "*A Toast to the Fallen*" while **UNLEASHED** create a powerful and triumphant tribute to the warriors lost in battle. Tracks like "*War Comes Again*" fuses furious blast beats and searing explosive riffs that showcase **UNLEASHED**'s signature battle-forged death metal. Meanwhile, "*To My Only Son*" slows only to strike deeper, its haunting melodies and doom-laden atmosphere embodying sorrow and honor in the face of war. In the eclipse they summon the Midgard Warriors with "*Hold Your Hammers High!*", an anthemic battle cry that follows the son of Thor into the unknown. Fueled by sheer aggression and grand, warlike melodies, the track stands as a testament to the band's mastery in crafting Viking battle hymns.

With production that captures both raw energy and cinematic depth, the new album, ***Fire Upon Your Lands***, proves again that **UNLEASHED** reign among the masters of death metal. Combining blistering death metal brutality with a timeless heavy metal core, their unrelenting power, storied legacy and unwavering commitment to their craft continue to inspire legions of fans across the world. Prepare for war—raise your hammers and let the battle begin!
